

Christmas Quiz XIII

All answers are the names of countries or regions. All clues are based purely on the name of the country or region and any connection to the nature of the country or region is entirely coincidental. Names are the standard English name of the country or region. All reference sources are permitted. Answers will be available from Epiphany from www.edrith.co.uk with honour and glory to the highest scoring individual/team. Please email me with your completed answers before Epiphany for a chance at victory or the honour roll.
